Dear Cat Matchers Friend:

"We found some really little kittens in our back yard. I don't think mom is coming back. Can you help?"

"I'm not a cat person. There are kittens in my side yard and I'm going to take them to the pound if you don't come and get them."

"We found screaming kittens in our garage wall. Their eyes aren't open. Will you take them?"

That's just a few of the calls we get every day. It hurts our heart to know that many won't survive. It hurts when we can't respond to every call for help. We want to help them all, but our resources are not as big as our hearts.

We're not the big rescue group you see on the news. We're not the ones with the heart-wrenching TV ads. We're not the ones with paid employees and large budgets. We're small, we're dedicated and our only salary is the joy we receive from knowing we saved a life.

Will you help us help them?

Cat Matchers needs more foster homes. More open arms. More patient, understanding caregivers. Have a spare room, a little love and some extra time? We need you – and the little ones need you too. Together, we can save lives.

Unfortunately, love doesn't pay the vet bills. That's why we're coming to you for help. As a fellow animal lover, your support is crucial to our rescue efforts. Your gift can help save some little souls who aren't able to help themselves.

Donations of any size make an impact. Please complete the form below, include your check or credit card information and mail it in the attached envelope. Or, use our PayPal account at www.catmatchers.org/donate. It's easy. It's tax deductible and it could be the difference between life and death for many.

Thank you for caring about them as much as we care about them.

Sincerely,

Tammy Kidwell, President
